

DRAFT Agenda  
Meeting #18 Moab Area Watershed Partnership  
Grand Center  
Thursday, April 12th, 2012  
**8:30 – 10:00 AM**

8:30-8:35	<b>Introductions (as necessary)</b>
8:35-8:40	<b>Review Agenda and Minutes</b>
8:40-8:50	<b>Website Update and Content Suggestions</b> This time will be used to review new content suggestions for the website.
8:50-9:20	<b>Discuss USFS requested additions to Partnership Agreement.</b> Mike Diem of the USFS has requested that the Partnership Agreement clarify the differences between the Mill/Pack Creek and Castle Creek Watersheds. Tessa Groff worked with Mike and Bob Davidson to draft a section that can potentially be added to the PA in order to fulfill this request and they will present it at time. The group can also use this time to discuss the Goals for the watershed and valued watershed features if appropriate.
9:20-9:45	<b>Presentation on History of Land Use Section of the Plan.</b> Laurel Hagen will present information on the History of Land Use section of the plan that she volunteered to take lead on. This presentation is intended to aid others in the task of writing sections of the plan and to create a forum for discussing what format is desired for these sections. Source citation will also be discussed to ensure uniformity throughout the plan.
9:45-9:50	<b>Discuss upcoming funding needs and opportunities.</b> Tessa will discuss the latest UWCC meeting and the funding that was awarded. She will also discuss meeting locations for MAWP and funds that are available to the group for facilitation.
9:50-10:00	<b>Items to address at next meeting</b> The date and location of the next meeting need to be determined.
