

DRAFT Agenda  
 Meeting #21 Moab Area Watershed Partnership  
 Grand Center Conference Room  
 Thursday, July 12th, 2012  
**8:30 – 10:00 AM**

8:30-8:35	<b>Introductions (as necessary)</b>
8:35-8:40	<b>Review Agenda and Minutes</b> Minutes from both May and June need to be reviewed
8:40-8:45	<b>Website Update and Content Suggestions</b> This time will be used to review new content suggestions for the website.
8:45-9:00	<b>Discuss upcoming funding needs and opportunities.</b> It has been asked that MAWP consider the endorsement of a Bureau of Reclamation grant proposal regarding the request of funding for an additional MAWP staff person. The proposal will be presented by Laurel Hagen followed by time for discussion.
9:00-9:10	<b>MAWP Brochure Review</b> Tessa Groff will present copies of a brochure she put together on behalf of MAWP. The funding for this brochure was provided through an education and outreach grant from the Utah Watershed Coordinating Council. She is requesting feedback from the group so that she can set a date for production.
9:10-9:45	<b>Watershed Plan Discussion and Review</b> The group will identify data gaps in the watershed inventory and document a plan of action to address these gaps. Requests for maps from UDWQ can be made. The remaining time will be used to discuss MAWP's timeline and how to transition into the next phase of the plan which will focus on assessing water quality and quantity.
9:45-9:55	<b>Upcoming Projects/Events and Project Summaries</b> Time reserved for project summaries and/or updates on upcoming or current projects/events taking place in the watershed that may affect water quality and quantity.
9:55-10:00	<b>Items to address at the next meeting</b> The date and location of the next meeting need to be determined.
